- **News from Mr Dunn:**

Earlier this week Shirenewton Community Council held their Council meeting and one of the items discussed was an item from the School Council, that a trampoline be provided in the Recreation Ground Play Area.

I am pleased to say that this was agreed by my fellow Councillors and the Minute from the meeting below, confirms the decision.

#### **15. Minute 4588 – Recreation Ground Play Area**

##### **15.1) New equipment update**

The Community Council noted the summary shared by the clerk prior to the meeting, regarding purchase options and quotations supplied by Monmouthshire County Council (MCC). The Council resolved to focus on Hags 1.5m square in ground trampoline and requested the clerk contact MCC to confirm the lead times on ordering and installation of this item.

We are all very pleased with this result and look forward to using the trampoline once it is installed.

- We are making posters to promote the village fete. Mrs Graham will find out the date and more details for us to add next time. We know that there will be a Prince and Princess. Children will have to put their names forward for this role. We also know that there will be a parade on a theme of pirates. We got into pairs to work on Adobe. Younger children were supported by those who know how to use Adobe on Hwb.

Tro nesa: Finish posters and add relevant dates. Print one for each class. Send the best to Mr Penn and Mrs Partridge to be included in the school newsletter.
