Vice secretary:Oscar and Jessica (Y5)

1) We introduced ourselves with our names and a fun fact.

2) We discussed ideas for the Shirenewton Shambles after looking at last year's display.. We will be decorating window panels in the old phone box in Shirenewton. The Shambles takes place on 15 and 16 October. People take a map and walk round the village looking at the window displays at night. The theme is All Together Now.

Ideas:

Oscar & Jessica - village in the background with a semi- circle of people in the front.

Freddie - a castle

Kathryn - draw the world and label the continents

Paris - lots of children from the Comp school

Anwen - a rainbow and a sun

Gracie - rainbow with silhouettes

Jess - world with people holding hands around it

Martha - a crown of people on top of the world

Robin- 2 people holding a heart - Together Forever

Oscar - the world split in two with people pushing it together.

All - animals.

3) Heddlu Bach and Year 6 to make the window panels as they have to be finished before Friday next week. Anyone who wants to join us from another class can help on Wednesday lunchtime.
