

## DIGITAL LEADERS

### AGENDA/ **MINUTES**/ACTIONS

<b>Date:</b>	08.12.22
<b>Meeting Place:</b>	Year 3
<b>Time:</b>	2.45-3.15

**Present:** Charlotte, Max L, Tilly, Callum, Amelie, Freddie, Evie D, Evie C, James, Lewis, Mrs Perry  
**Apologies:** Nye

#### AGENDA:

- **Organise all coding equipment to ensure it is ready to plan/teach lessons.**
  - **BeeBots:** don't work properly: change to Jit 5
  - **Jit5:** we are confident to use these on ipads and chromebooks.
  - **Spheros:** need a lot of time to charge and need to find the correct pad minis to control. They work well when charged.
  - **Spike:** we sorted out all of the bits into the correct places
  - **Micro Bits:** a few work perfectly but didn't get through them all
- **Next meeting**
  - Start to plan a lesson ready to teach the other children how to use the coding equipment. [See lesson schedule here](#)
  - Ask all teachers when is the best time for us to go in and teach our lesson.
- **Suggestion boxes**
  - None
